THE WAIT IS FINALLY OVER!

Students have been begging us to provide online Re-Enrollment for Returning Students and God has finally opened the door to make this possible!

NO MORE BUBBLES!!!

MORE SECURE than YOUR CHECK!

ONLINE RE-ENROLLMENT

guarantees you cannot be charged that pesky \$24 manual processing fee for not correctly completing your Personalized Re-Enrollment Form.

RE-ENROLL ONLINE to help us keep tuition lower and reach more people.

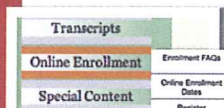

Be sure your Class watches the *New Enrollment Options DVD* and then your class can skip the out-of-date instructions recorded a year ago (at the beginning of the first class on the *Class 10 DVD*).

We apologize these new directions take a little longer & class will finish 5 minutes late.

Returning Students can Re-Enroll Online or use their Personalized Re-Enrollment Form.

Generic Applications are still available this semester for those who have lost their Personalized Application, but are being phased out, and we encourage these students to Re-Enroll online instead.

AFRAID OF ENROLLING ONLINE?

Online Enrollment is far MORE SECURE THAN A CHECK.

While every check you write has EVERYTHING an identity thief needs, Faith Bible Institute contracts with PayPal, one of the world's largest and most secure payment platforms.

DON'T HAVE INTERNET?

Your Director (or your children or a friend) can easily help you enroll online.

1. If you have a credit card assigned to your PayPal account, your must sign-in to PayPal to use that card on PayPal or you can just use another card.
2. If PayPal does not accept your card for any reason, just use another card.

DON'T HAVE A CREDIT OR BANK CARD?

Pay your Director and have them make your payment.

Why Re-Enroll online?

1. It automatically avoids that pesky \$24 manual processing fee.
2. Eventually, your grades, report cards & transcripts will be online and you will be able to make payments & take Elective Classes & tests online & know your grade & what you missed instantly!
3. You also help us keep your tuitions costs low & streamline registration so FBI can reach thousands more students!
