“THE KING OF KINGS”

Revelation 19:11-21

This name of Christ brings us to the climax of the main theme of the Bible—The KINGDOM. The Bible is about God and Kings. Some form of the words “King” or “Kingdom” occur 3,274 times. It has always been God’s desire to establish His Kingdom on earth. It will finally be realized at the second coming of Christ.

Today Jesus is a King in exile. However, He will return to earth to reign as KING OF KINGS—The King is coming!

From the Preacher

BEWARE!

While going through some of my old files recently I came across this article. I'm not sure where I got it, but it is certainly relevant for us today. It deals with the subtle dangers of the so-called "success-prosperity gospel" that is taught in many "churches" today.

The deception in the success-prosperity doctrine is subtle. It sounds so spiritual to assert that we cannot be sick or fail if we trust God, and that He will reward us for faith and giving and being good, by making us rich in material things. But this was not the message of the men and women of faith who throughout history set church and nation aflame with revival.

The more we pursue such poppycock, the more likely we will end up like pampered children. Getting everything we want won't turn us into soldiers for Christ. We may wear a tailored suit with gold buttons and hash marks, but we will be no more soldiers than the six-year-old with his feet shoved in his dad's old combat boots and carrying a wooden gun. Unchecked, the success-prosperity syndrome will not see Christians developing together into a vigorous, stouthearted, indomitable church. Rather, it will reduce the body of Christ to spiritual flabbiness.

AMEN!
